

**GlobalWafers Co. Ltd.**

**Recipient : All Suppliers**

**Date : 2020/3/9**

**Subject: Announce epidemic preventive actions of entering GlobalWafers Co. Ltd. for coronavirus disease 2019 (COVID-19)**

As the number of 2019-nCoV cases continue to grow and the Taiwan Centers for Disease Control (Taiwan CDC) has confirmed several imported cases, GlobalWafers Co. Ltd. (GWC) adjust the entrance rules based on Taiwan CDC's suggestions. Suppliers, visitors, and contractors, (1) who had been China, Hong Kong, Macau, Korea, Italy, Iran, Singapore, Japan, France, Germany, Spain and Thailand in the past 14 days and (2) had exposure to foreigners with fever or respiratory symptoms, are prohibited to enter all GWC areas; (3) who had traveled to other foreign countries (excluded above mentioned countries) in the past 14 days, please inform the staff and declare the Visitor Epidemic Prevention Check, also have to wear mask all the time in all GWC areas. Visitors, suppliers and contractors are not allowed to enter GWC areas if ear temperature  $\geq 37.5^{\circ}\text{C}$  and need to leave the factory for medical treatment.

The epidemic preventive actions related to suppliers are as follows:

1. Visitors, suppliers and contractors have to wear mask all the time in all GWC areas.
2. People, who had been China, Hong Kong, Macau, Korea, Italy, Iran, Singapore, Japan, France, Germany, Spain and Thailand in the past 14 days, are prohibited to enter GWC all areas.
3. People, who had exposure to foreigners with fever or respiratory symptoms, are prohibited to enter all GWC areas.
4. People, who had been traveled to other foreign countries (excluding above mentioned countries) in the past 14 days, please inform the staff.
5. Visitors, suppliers and contractors have to declare the Visitor Epidemic Prevention Check, if forehead temperature  $\geq 37^{\circ}\text{C}$ , and are prohibited to enter GWC if ear temperature  $\geq 37.5^{\circ}\text{C}$ .
6. People, who have respiratory symptoms (nasal congestion, runny nose, cough, dyspnea), must inform the staff and have to wear mask all the time in GWC. If you have respiratory symptoms, please leave the factory for medical treatment.
7. Any meeting or group activities should be minimized.

Note: Please visit CDC website at <http://www.cdc.gov.tw> for details of travel alert.
