緣起 Motivation

社會上有許多弱勢貧困兒少，因貧富差距、偏鄉的限制、職涯想像不足等，侷限了他們社會參與及發展的可能性。

源於對這種需要的深切關注與責任感，中美環球集團透過台灣世界展望會的青少年發展服務計畫，一同幫助苗濱中心服務之900名經濟弱勢家庭之兒少發展潛能和興趣、培養自信心和創造力、有更遼闊的眼界，並幫助他們提前思考生涯方向。

我們相信，每個人一點一滴的善意都能帶來改變，期望能凝聚更多人的力量，為社會帶來更多的希望和溫暖。

讓我們攜手合作，將愛心和關懷傳遞到需要幫助的孩子們身上。

In society, there are many disadvantaged and impoverished children and adolescents whose potential for social participation and development is limited by factors such as wealth disparities, rural constraints, and a lack of career opportunities.

Out of a profound concern and sense of responsibility for addressing these needs, GlobalWafers, through World Vision Taiwan's youth development service project, is collaborating to help unleash the potential and interests, cultivate confidence and creativity, broaden horizons, and encourage early career exploration among the 900 children from economically disadvantaged families served by the Miaoli Center.

We believe that every act of kindness, no matter how small, can bring about change. We hope to gather more support and bring more hope and warmth to society. Let us work together to extend love and care to the children in need.

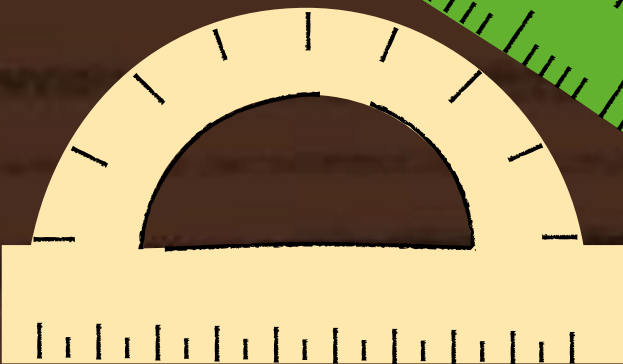

愛心募集 Fundraising

集團此次在內部發起員工愛心募集活動，主要協助台灣世界展望會「青少年發展服務計畫」，聚焦在職涯課程部分，讓孩子透過活動檢視興趣、並且協助其自我具備能力，更加了解對於未來生涯發展的選擇。預計開辦不同課程，讓弱勢兒少也能有多元學習機會、提升各方面專長及開發潛能。同時提供表現機會讓孩子們增加信心。

本次募款目標為\$300,000元，最終在員工的共襄盛舉以及集團的協助之下總共募得\$300,000元。

The company has recently launched an internal employee charity fundraising event to support World Vision Taiwan's "Youth Development Service Program," specifically focusing on the career education component. The program aims to help children explore their interests through activities, develop their skills, and gain a better understanding of their options for future career development. It is planned to offer a variety of courses to provide disadvantaged children with diverse learning opportunities, enhance their expertise in various fields, and unleash their potential. At the same time, it will provide performance opportunities for children to build their confidence.

The fundraising goal was set at \$300,000, and with the enthusiastic support of employees and the company's assistance, a total of \$300,000 was raised.
